

Two Morning Services To Honor Contributions of Motherhood

Two-morning worship services will be held on Mother's Day at the First Methodist Church. The first service will begin at 9 a. m. with Church School classes for the nursery, kindergarten and primary departments at the same time. The children of the junior department and older will meet with their parents in the worship service and go to classes at 10 a. m. The Young Adult and Adult classes will meet at 10 a. m. also.

This schedule makes it possible for the whole family to come at 9 a. m. and leave together at 10:45. Those who desire may attend at 10 a. m. for the Church School classes and stay for the second service which begins at 11 a. m.

The two Mother's Day services will be identical with the full choir singing at both services under the direction of Vernon Robinson. The minister, Rev. Clarence E. Miller, will preach at both services on the theme: "Christian Motherhood's Contribution to the World."

The above schedule of double services in the Methodist Church will continue after Mother's Day in order to relieve the crowded condition at the 11 a. m. service and also to provide opportunity for parents to attend church and Sunday school at the same time as the children, the Rev. Mr. Miller explained.

Mother's Day will be observed at both services on Sunday morning, May 14, at First Lutheran Church, Acacia and Sonoma avenues. The first morning service is to be held at 8:15 a. m. and the second at 10:45 a. m. Pastor Paul Wenske has chosen as his sermon theme for these two services "The Greatest and Most Glorious Mother."

There will be music by the Junior and Senior choirs. At the evening service at 7:30 p. m. a film entitled "The Difference" will be shown. This film shows the difference between a Christian college education and a secular college education.

with the youngest baby present, to receive a special floral gift. The 11 a. m. worship service also will be dedicated to mothers, with an appropriate sermon for the occasion.

National Family Week theme will be continued and promoted through the month of May in this local church, according to Rev. W. A. Penner, pastor. Every Sunday will be Family Sunday, and each complete family present will receive special recognition. "Bring the entire family and worship with us," Rev. Penner suggests.

MOTHER'S DAY
It is right that we should set mothers apart. We who have lain so close to her heart. She taught us to talk to walk and obey. Let's tell her we love her on Mother's Day.

GREATEST MOTHER TO BE REVERED

The First Baptist Church of Torrance, at Carson and Manuel, will commemorate Mother's Day at both the morning and evening services, according to Rev. C. Miles Northrup, pastor.

The Rev. Mr. Northrup will speak on "The Greatest Mother," at the morning service. In the evening, Rev. Russell Killman, the newly called assistant pastor, will bring the message in sermon and song.

There will be special Mother's Day music at both services and flowers will be furnished for all in attendance, the pastor said. Dedication of babies and small children has been scheduled for the morning and baptismal services for the evening.

The Rev. Mr. Northrup reminded mothers this week of the nursery and sound-proof room for mothers with small babies.

Hymns, Music To Honor Mother

All Sunday services of the Central Evangelical United Brethren church will observe Mother's Day, Rev. U. S. Schauer, minister, announced this week.

At the 11 a. m. services at the church, at Marcelina and Arlington avenues, the Rev. Mr. Schauer will speak on "God Works Through Homes."

A musical service will be presented at 7:30 p. m. Mother's religion will be set forth in a program of old-time hymns, songs, and musical selections. The musical program, arranged by Carl Pisel, will feature organ, marimba, and trumpet selections. Vocal numbers and congregational singing will recall the old fashioned mother's church, bible and prayer life.

The fourth quarterly conference of the church will be conducted in the church sanctuary next Wednesday beginning at 7:30 p. m., the Rev. Mr. Schauer said.

BLESSED BY FATHER
Are we benefited by praying? Yes, the desire which goes forth hungering after righteousness is blessed of our Father, and it does not return to us void.—Mary Baker Eddy.

TIPS FOR TOP LONG DISTANCE SERVICE
Ways to save money and minutes on out-of-town calls

1. Reduced rates begin at six in the evening... and between six and seven is a good time to call. Long Distance rates are low. And nights and Sundays are a particularly fine bargain. For \$2.00 or less (plus tax) you can make a station call anywhere in the country. After the first three minutes, time is charged by the minute... not as another three-minute period.
2. For best service, place your call with the operator like this: First, tell her the name of the town you're calling... then the telephone number (or the name and address). Next, if it's a person call, give her the name of the one you want to reach. And if you've made notes ahead of time, you'll find you can say as much in three minutes as in an average letter.
3. When you call across the country or across town, you're using a service that's a finer value than ever before. With your telephone, you can reach twice as many people as 10 years ago. You can call more of the people you want to call... more can call you. And at rates that make your telephone a real bargain.
